## QUALIFICATIONS

Minimum qualifications for this position include:

### Experience and Education

- Experience in instructional design, training, e-learning development, or technical writing.
- Graduation from an accredited college or university with major coursework in education, communication, instructional design, information technology, or a related field is preferred.
- Experience and education may be substituted for one another.

### Knowledge, Skills, and Abilities

- Knowledge of instructional design principles, adult learning theory, curriculum development, documentation standards, and accessibility requirements.
- Knowledge of training and development techniques, e-learning tools, and documentation software.
- Skill in developing and delivering learning in multiple formats (e-learning, classroom, blended).
- Skill in technical and professional writing.
- Skill in using learning management systems and authoring tools (e.g., Articulate, Captivate, Camtasia).
- Ability to evaluate learning outcomes and recommend improvements.
- Ability to analyze, problem solve, and organize.
- Ability to communicate effectively, both orally and in writing.
- Ability to be creative and innovative.
- Ability to complete projects in a timely manner.
- Ability to work well under pressure and meet deadlines.
- Ability to take initiative and work independently or as a team member.
- Ability to handle multiple projects.
- Ability to respond to rapidly changing pace and workload and cope with deadline pressures.
- Ability to maintain confidentiality of material and information.
- Ability to maintain professional appearance and demeanor.
- Ability to maintain regular and punctual attendance.
- Ability to manage projects and collaborate effectively across teams.
- Ability to work flexible hours, overtime, weekends, and on-call duty.
- Ability to provide chamber support during the legislative session.
- Understanding of the legislative process is desirable.
